# Health care

Non-EU nationals

- Non-EU students need a private health insurance plan prior to arrival.

- Lists of doctors are available from your health insurance provider and embassies.

- When making an appointment, call your insurance company first to let them know you're sick and seeking medical attention They'll either provide you with a preferred doctor or you can tell them you've chosen another one.

EU nationals

- EU students are covered by the European Health Insurance Card (EHIC) issued by the country of origin health insurance provider. A free card that gives you access to medically necessary, state-provided healthcare, free of charge.

- Dental treatment is generally not available under the state system.

- How to use the card

- Health centre search by area of residence

- A referral from a doctor is needed for any hospital treatment, except in an emergency.
