

Course Catalogue for Exchange Students

2026-2027

**Universidad Pontificia Comillas
Faculty of Law**

In the following course catalogue you will find the list of **undergraduate courses** offered to exchange students in English and Spanish. Please check the semester and the language of tuition. You can read the syllabus by clicking on the course titles.

Structure of our degree programs: A bachelor's degree in Spain usually lasts 4 years. In our Faculty of Law we also offer double degrees that last 5 years.

As an exchange student, you will be allowed to take courses from different **bachelor's degrees within the Faculty of Law and from different years (only 4th and 5th year are available) in English or Spanish. Those 4th and 5th year courses may be equivalent to master's level courses in other countries.**

Please bear in mind that some syllabi may not be available yet.

Number of credits (ECTS) allowed per semester:

- Minimum: 1 course per semester (3 or 6 ECTS).
- Maximum: 30 ECTS per semester (+ the Spanish language course, 6 ECTS, in case you wish to take it).

On average 1 ECTS credit point is equivalent to 25 working hours, including lectures, seminars, homework and exercises.

Exchange students usually take 25-30 ECTS credits per semester.

Keynotes:

SEM 1 = September to January ; **SEM 2** = January to May.

SEM 1 or SEM 2 = a semester-only course that can be taken either in the autumn OR in the spring semester. The content is exactly the same in both semesters.
