

IAJU Magis Exchange Program
Global Environmental Citizenship Course Student Expectations

Please carefully review, sign, and return this document to indicate your acceptance of the IAJU Magis Exchange Program and Global Environmental Citizenship Course expectations.

As a student of the Magis Exchange Program you understand the following expectations:

- You will participate in all 8, 75-minute virtual sessions planned for the year outlined in the syllabus and Moodle platform. If you have a conflict, you will notify your professors via email as soon as you know. Please note that these sessions are mandatory to complete the course.
- Before each 75-minute session, you agree to complete and turn in all assignments for the assigned Workshop.
- For each 75-minute virtual session, you will arrive prepared to participate and with a stable internet connection.
- You will be expected to participate in the Moodle platform discussion forums and complete all assignments during the length of the course.
- Following the conclusion of the program you will provide feedback on your experience as a student in a post-program survey.
- You will maintain good academic standing with your school and abide by your institution's student code of conduct. You will notify program coordinators and liaisons of any changes in your academic status or of any academic or disciplinary violations that arise before or during the program.
