Welcome

NC STATE UNIVERSITY

Raleigh, North Carolina
#1 Best City in the
Southeast (*Money*, 2017)

NC STATE UNIVERSITY

A young man with glasses, wearing a white lab coat over a dark blue shirt and blue nitrile gloves, is focused on examining a small vial held in his gloved hand. He is in a laboratory setting, with various pieces of equipment like pipettes and containers visible on the lab bench. The background shows a clean, modern lab environment with a clock on the wall and a doorway.
