Skills to Develop

- People skills
 - Group projects
- New ways to think
- The value of being a team player
- Direct translation to what it would be like to conduct business in the US

Standing Out as an Applicant

“I felt this experience really forwarded my ability to work with all different kinds of people, different cultures, and at a different cadence or efficiency than I'm used to working with”

- Adapting to different cultures
- Contrast between the Spanish/American work ethic
- Become more independent
- Joining clubs
- Build connections
- Real life projects (service learning, strategic consulting, Burkenroad Reports)

Courses

Tulane

Microsoft Excel Certification

- Needs to be completed before registering for your first semester classes in March
- Plan AHEAD!
- If you fail, you can take again
- Not having this certification will impede your progress in business courses for 2 semesters and cost you \$350 to take the course at Tulane in your first semester!

The screenshot shows the Certiport digital certification registry interface. At the top, the Certiport logo is displayed in a dark blue header. Below the logo, the text reads "Registro digital autenticado de certificaciones" and "29 de julio de 2021". A yellow box contains the text "Your Name Here". Below this, a small text block states: "Este Registro Digital Certiport en tiempo real se obtiene de una base de datos global que rastrea y autentica los exámenes de certificación administrados por más de 12.000 centros de evaluación en todo el mundo." A gold banner below this text reads "MICROSOFT OFFICE SPECIALIST". To the left of the main content is the Microsoft logo. The main content area is divided into two sections: "Certificaciones" and "Exámenes".
