The participating students under the terms of the exchange agreement continue to pay tuition and fees to the home institution. The home institution has the discretion to impose certain non-academic fees on its students, in order to facilitate the student exchange program. The costs of food, accommodation, travel, books, transportation, passports, visas, insurance, and personal expenses shall be borne by the participating students.

Paying Fees

To pay your fees:

- 1. Login to Gibson (https://gibson.tulane.edu)
- 2. Click on "Billing"
- 3. Click on "View Online Payment"
- 4. Click on "Make a Payment"

You can pay with credit card (for a convenience fee) or via international bank transfer. You can pay with an international credit card – follow the process to pay with credit card and make sure you select the "foreign address" option.

Payments are due by the deadlines indicated in Gibson. You can view a billing and payment schedule online at https://studentaccounts.tulane.edu/content/important-dates.

Course Selection/Registration

Since exchange students are unable to register themselves, you will need to submit the course preference form so we can register you for classes. You can access the course preference form by logging into your application at https://freemanabroad.tulane.edu.

Please remember: We are only allowed to register you for courses in the A. B. Freeman School of Business. The departments in Business include the following:

Accounting (ACCN)
Energy (ENRG)
Finance (FINE)
Legal Studies in Business (LGST)
Management Communication (MCOM)
Management (MGMT)
Management Science (MGSC)
Marketing (MKTG)

If you request courses outside of the A. B. Freeman School (e.g., ECON, SOPA, POLC), these will require special permission from the department. These requests will take more time to approve than requests within the Freeman School. Courses outside the Freeman School are not guaranteed. Courses in PECN are off-limits.

How do I find the courses being offered at Tulane?

The final course schedule is available approximately two weeks before the Priority Registration date, which is in early April for Fall Semester and early November for Spring Semester.

- 1. Go to Tulane's online Schedule of Classes (http://classschedule.tulane.edu/)
- 2. In the Term menu (top right), select the semester you will attend
- 3. In the Subject Area menu, select from the following Business School departments: Accounting, Energy, Finance, Legal Studies in Business, Management Communication, Management, Management Science, Marketing

Special Notes:

- UNDERGRADUATE students can only take 1000, 2000, 3000 and 4000 level classes. Undergraduate students cannot take graduate level classes. Other restrictions may apply.
- MBA (GRADUATE) students can only take 6000 and 7000 level classes. Graduate students cannot take undergraduate level classes. The following master's level business courses are not open to exchange students: FINE 7340, FINE 7350, FINE 7530, FINE 7610, FINE 7630, FINE 7660, MGMT 6150, MGMT 6510, MGMT 6540, MGMT 6630 and MGMT 6620. Other restrictions may apply.
- UNDERGRADUATE students must take a minimum of 12 credits for their visa to be valid. GRADUATE students must take a minimum of 9 credits for their visa to be valid. At Tulane the average course load is 15 credits. The maximum course load is 19 credits.
- UNDERGRADUATES must select at least 12 credits (four classes) from the following Freeman School of Business departments: Accounting, Energy, Finance, Legal Studies in Business, Management Communication, Management, Management Science, Marketing.

- GRADUATES must select at least 9 credits (three classes) from the following Freeman School of Business departments: Accounting, Energy, Finance, Legal Studies in Business, Management Communication, Management, Management Science, Marketing.
- Prerequisites: Prerequisites are always noted in the class schedule. These are classes you must take before taking another class. You need to make sure you meet the prerequisites before selecting a class. Prerequisites are noted in the class schedule. Students must have taken any prerequisite (or equivalent) for our office to register you in the class.
- On the course schedule website, the days of the week are abbreviated as: Monday (M), Tuesday (T), Wednesday (W), Thursday (R), Friday (F). So, a class with the notation "TR" will meet on Tuesdays and Thursdays.
- Online courses do not count toward minimum full-time enrollment (12 credits for undergraduates, 9 credits for graduates).
- The following courses require a special application, and enrollment is by invitation only: FINE 4160, FINE 4350, FINE 4411, FINE 4610.
- According to immigration regulations, students on a J-1 or F-1 student visa can only take up to ONE online (distance learning) class per semester.
- You may be able to take courses offered in other departments at Tulane if you meet all pre-requisites for the course and they are open to business school students. Courses outside the Freeman School will require special permission from the department. It will take a longer time to get permission to add you to a non-Freeman course and is not always possible.
- If a class outside of the Business school, such as a class in Economics or Political Science, reads "Course Restrictions: Open to (Name of Non-Business Department)," this means the course is typically NOT open to business students. Courses in PECN are off-limits.
- Courses in the School of Professional Advancement (SOPA) are not considered part of the A. B. Freeman School of Business. These courses are not AACSB-accredited but will appear on a Tulane transcript if you take them. These classes are for adult learners returning to college later in life. They are not always open to non-SOPA students.

How do I find course descriptions/syllabi?

- 2. Click on Current Students
- 3. Click on Undergraduate
- 4. Scroll down to Course Descriptions, Syllabi & Booklists

MBA/Graduate Course Descriptions:

- 2. Click on Current Students
- 3. Click on Full-Time MBA
- 4. Scroll to Course Syllabi

Course Textbooks

It is MANDATORY that you have all required textbooks for each class. Textbooks are expensive. Students should expect to spend \$75.00-\$200.00 per course on textbooks. The list of required textbooks will be given to students on their first day of class. For discounts, some of our students have purchased or rented textbooks from www.chegg.com,

<u>www.betterworldbooks.com</u>, <u>www.amazon.com</u>, <u>www.campusbookrentals.com</u> and many others.

How can I see my class schedule?

- 1. Go to https://gibson.tulane.edu/
- 2. Login with your Tulane ID (do not include "@tulane.edu") and your password. (To login you must have already changed your password.)
- 3. Click on "My Schedule." This will bring up a new page with your class schedule.

How do I know if I am on a Waitlist for a class? (Note: Waitlists are not available for all courses.)

- 1. Follow the instructions above
- 2. Look at the "Status" line, then:
 - o if you see "Registered" = you are registered for this course
 - o if you see "WL #" = you are on the Wait List for this course (you are NOT registered). The number indicates your position on the waitlist.
 - o if you are between #1 and 5 on the waitlist, there is a good chance you will get into the class.
 - o if you are between #6 and 10 on the waitlist, it is possible you will get into the class eventually
 - o if you are above 10 on the waitlist, you should look for another course to take

What do I do if I am on a Waitlist for a class? (Note: Waitlists are not available for all courses.)

- 1. Check your Tulane email account every day (You should actually check it every few hours)
- 2. If you are offered a seat, you will receive an email message in your Tulane email account only
- 3. When you receive this message, immediately forward the message to freemanabroad@tulane.edu. Do not try to register yourself in the course -- only our office can put you in classes.
- 4. There is a 48 hour time-limit imposed on the available seat and if we do not receive your email immediately, we likely will not be able to register you in time. If we cannot register you in time, you will be removed from the waitlist.
- ** NOTE: Because we do not live permanently at our desks, the sooner you receive the message and send it to her, the more likely she can put you in the class. If you do not send the message in time, you will lose your seat and the only thing we can do is put you back on the end of the waitlist.

How Do I Make Changes to My Schedule?

To make changes to your schedule, you will need to complete an Add/Drop form. You can obtain the Add/Drop form from Study Abroad & Exchange.

Applying for a Student Visa

To obtain a visa, you must visit a United States Consulate or Embassy in your area, presenting all necessary documents. As requirements can change or vary, please refer to the acceptance packet you receive from Tulane, or visit http://jlvisa.state.gov/ for the latest information.

Upon receiving your acceptance packet, please check that all of your personal details on the DS-2019 form (or I-20) are correct. Any mistakes should be reported to our office immediately so we can update your information accordingly and re-issue your DS-2019 if necessary.

Section III: Arriving in New Orleans

Travel to New Orleans and to Tulane's Uptown Campus

By air, you will arrive at Louis Armstrong International Airport (MSY). From there, you may take a shuttle or taxi to Tulane's campus or your hotel. Both are available near the baggage claim area. Shuttle reservations are not necessary, but you may book in advance by calling (+1) 504-522-3500 or visiting www.airportshuttleneworleans.com. Tell the driver you are going to the Tulane Uptown campus. A one-way shuttle will cost approximately \$20 and it will drop you at the corner of Willow Street and Freret Street. You can also take an Uber, Lyft or taxi from the airport to campus for a cost of \$35-45 (not including tip). Uber and Lyft pick up passengers from the transportation center on the first floor of the parking lot at the airport. Taxis have a stand right outside the baggage claim. An Uber/Lyft is cheaper than a taxi, but you must have data service and the Uber or Lyft app on your phone to use the service.

Checking in On Campus

All Business exchange students must check in with two offices: (1) Study Abroad and Exchange in the A.B. Freeman School of Business and (2) Tulane's Office of International Students and Scholars (OISS).

OISS Check-In

OISS provides immigration support for the Tulane community. Your visa paperwork originated in their office. You will also visit them if traveling outside the country during your period of study at Tulane or have questions about your immigration status or employment. You will find helpful information on their website at http://global.tulane.edu/oiss/. You will receive an OISS orientation guide with your DS-2019 and are required to attend OISS orientation at the beginning of the semester.

OISS has a mandatory check-in for immigration purposes. The process is online. You will receive more information by email at the beginning of the semester. You can also visit OISS in person at Center for Global Education at 6901 Willow Street, next to the PJ's Coffee Shop at the intersection of Willow & McAlister.

Study Abroad & Exchange Check-In

Once you arrive to campus, visit our office (located in the Goldring Woldenberg Business Complex at 7 McAlister Drive, Suite 220) so we can meet you, give you information about orientation for incoming Business school exchange students and assist you with any needs you have upon arrival.

We will also hold a Freeman Exchange Orientation for all business exchange students so you can meet other students and learn how to be successful during your time in the Freeman School of Business.

What to Bring

Clothing: New Orleans' climate is tropical, but that doesn't mean it won't get cold in the winter! Be sure to pack clothes for all seasons because the weather can change from one day to the next. In the winter, you will need a winter coat as the temperature will drop and the high humidity will

deepen the cold. Throughout the year, rain storms develop unexpectedly, so a good rain coat and umbrella are also advised.

Don't pack too much! New Orleans is a modern city and you will have access to shopping malls, pharmacies, and grocery stores so you don't need to pack a year's worth of shampoo, for example. Also, keep in mind the weight limits for your checked luggage for your journey here!

Electronics: Keep in mind that the plugs/electricity are different in the United States than in other parts of the world so if you are thinking of bringing electronics you should plan to use an adaptor or just buy a new device when you arrive.

Copies of important documents: It is always good to keep copies of your important documents (passport, ID card, visa, etc) and keep them in a separate place from the originals.

Orientation

International Students must attend two mandatory orientation sessions. Each orientation is held the week before classes begin and will be announced to you by email after your acceptance.

J1 or F1 International Student Orientation (OISS Orientation): This orientation session is mandatory for any student with a J1 or F1 visa. It includes general information about Tulane University and will cover all the rules and responsibilities concerning your student visa to the United States.

Business School Exchange Student Orientation: This orientation session is mandatory for all Exchange Students at the Business School. Topics discussed will include course registration, expectations, and resources for success.

Section IV. Housing Arrangements

Exchange students are responsible for arranging their own accommodations. It is an independent process. You may arrange housing after you arrive, however, some students prefer to arrange housing in advance. Note that if you choose not to arrange housing in advance other exchange students may already have roommates.

On-Campus Housing

On-campus residence hall space is limited. Exchange students are not guaranteed accommodations on-campus.

On-campus housing information can be found on Tulane University's Housing and Residence Life website at http://www2.tulane.edu/studentaffairs/housing/. Important: If you submit a Tulane Housing Application form, you are signing a binding contract declaring that you will live in Tulane's residence halls and pay for the room even if you decide not to accept your housing assignment. If you later decide not to live in Tulane housing, you are not able to decline this application/contract and you will still be responsible for paying the full cost of housing for the semester plus a non-refundable application fee. There is no way to cancel your application form. Please do NOT complete a Housing Application form unless you are absolutely sure you wish to live in a dorm or apartment on campus.

Off-Campus Housing

Many exchange students live in off-campus apartments located in the neighborhoods around the university. Costs vary but can be less expensive than living on-campus. It normally takes at least 4 to 5 days to finalize setting up an apartment/house if you do not have housing when you arrive. Be sure to make a reservation at a hotel, hostel or Airbnb for the first few days you are in the city.

If you decide to live off-campus, please be sure to visit: http://housing.tulane.edu/off-campus-housing.

Where to Look

Most students who choose to live off-campus reside in the Uptown area. The most popular zip codes designating these areas are 70118, 70115 and 70125.

Section V: Academic Expectations

Grading, Exams and Transcripts

Exchange students will be given letter grades and GPA points according to the Tulane guidelines at www.tulane.edu. You can also expect each class syllabus to describe the grading system for that particular class.

Exam week is indicated in the academic calendar each semester. Do not make travel plans until you are sure of the date of your last exam. To be safe, you should plan to travel the day after the last day of exams.

Your official Tulane transcripts will be sent to your home university a few months following the end of each semester. If you need additional copies of your transcript, you can request one on Gibson.

Attendance

You should expect to attend all classes. Missing classes, in many cases, will cause you to earn a lower grade. Excessive absences may result in failing the course (receiving a grade of "F") and may jeopardize your J-1 or F-1 visa status.

Code of Student Conduct / Code of Academic Conduct

The Code of Student Conduct sets forth rules by which students must abide regarding academic and personal integrity. An electronic copy of the Code of Student Conduct is located at http://tulane.edu/studentaffairs/conduct/code.cfm. The Code of Academic Conduct can be found at http://www2.tulane.edu/college/upload/Honor-Code-revised-2016.pdf. You will be asked to read both Honor Codes and acknowledge with a signature.

Graduate students are also required to review and abide by the Unified Code of Graduate Student Academic Conduct, located at http://tulane.edu/ogps/upload/Unified-Code-of-GS-Academic-Conduct-06-18-13.pdf.

Academic Calendar

The University Registrar releases the Academic Calendar to the entire University. Calendars may be seen here: http://registrar.tulane.edu/academic-calendar.

Section VI: Student Health

Health Insurance

U.S. laws governing F-1 & J-1 visas require all F-1 & J-1 Exchange Visitors to have health insurance, medical repatriation insurance, and repatriation of remains insurance for the duration of your F-1 & J-1 program in the U.S. (Section 514.14 CFR, Volume 22). The International sponsor (Tulane University) is responsible for ensuring compliance with these laws. All F-1 and J-1 visa-holding international students at Tulane University (and your F-2 & J-2 dependents) are required to have health insurance and will be automatically charged for University-sponsored student health insurance plan. Like all fulltime Tulane students, F-1 and J-1 students must either enroll in the University-sponsored student health insurance plan or waive enrollment in this plan by providing proof of other adequate coverage.

If you need help completing this process within your first few weeks on campus, you can come to Study Abroad & Exchange. Remember you must adhere to the deadline. If you want to waive the Tulane insurance but you miss the deadline, you will be responsible for paying the fees for the Tulane student health insurance plan.

Student Health Center

Student Health Centers located on both the Uptown and Downtown Campuses provide comprehensive medical care through their Primary Care Clinics, including evaluation and treatment of acute and chronic medical illnesses. The Preventive Health Clinic includes women's and men's health, nutrition, allergy shots and immunizations. They provide accessible, high quality medical care for students during their time at Tulane University. The Uptown (Main) Campus is located in Building #92, Student Health Center and is open Monday-Friday 8:30AM - 5PM. Students may schedule an appointment online or by calling (504) 865-5255 and same-day appointments are typically available for an acute illness.

All students, whether degree seeking or guests, will be required to pay the Health Center Fee (specific information on fee amount and how to pay will be included with application materials and during the mandatory orientation). This fee is separate from the Health Insurance that is required for the students' visas. The fee covers visits to the Health Center and CAPS on campus if the student is injured or ill. A doctor will see the student with no charge but the student will have to pay for any treatment or medication given. Health Insurance will then reimburse the student for those charges. Instructions on how to make payment will be provided during orientation.

CAPS: Counseling & Psychological Services

CAPS is committed to providing a safe, inclusive and affirming community of care for all students. The interdisciplinary team fosters personal, emotional and academic well-being by offering comprehensive therapeutic services, outreach and prevention programs, and consultative relationships throughout Tulane. CAPS is located on the Uptown (Main) Campus in Building #14, Science & Engineering Lab (in the Academic Quad) and is open Monday-Friday 8:30AM - 5PM. Appointments may be made in advance but walk-in consultations are also available if the situation is urgent.

Pharmacies

There is a pharmacy at the Student Health Center where you can fill certain prescriptions. For other prescriptions and over-the-counter medications, visit a pharmacy.

After arriving on campus, you will need to visit Card Services, located in the LBC, in order to obtain your student ID card. You will present this card when taking exams. In addition, there is a magnetic strip which allows access into buildings and may also be used to charge to your student account. You may also deposit monies at Card Services in order to use the card to purchase food and other goods and services. The card also grants access to the Reily Center, the fitness center on campus. If you lose the card and need a replacement, the cost is \$35.

Section VIII: Life in New Orleans

Getting around the City

Public Transportation

In New Orleans, public transportation consists of the streetcar and bus systems. Rides are \$1.25 with exact change, each way. The streetcar line most of our students use runs along St. Charles Avenue from downtown (the downtown area is called the CBD, short for Central Business District) to Carrollton Avenue. There are many stops along the way and travel time varies, depending on traffic and time of day.

Schedules for the Orleans parish buses and streetcars can be found at http://www.norta.com/.

Tulane University Shuttles

There are several shuttles operated by Tulane. One shuttle (TapRide) will take you home in the evenings, if you live close to campus. There is also a shuttle on which will take students to popular shopping areas like Lakeside Mall and Walmart. There are also several shuttles in service between parking areas and both the Uptown and Downtown campuses.

For more information about schedules and routes, go to http://tulane.edu/universityservices/transportation/index.cfm

Rideshare (Uber/Lyft) and Taxis

Between the Uptown Campus and the French Quarter, the fare is generally \$12-\$15. Rideshare apps such as Uber and Lyft are more popular than taxis, but you must have the app installed on your smartphone and a data plan. There are many taxi companies that operate in New Orleans.

Groceries

The cost of groceries depends on where you shop. One large discount store is Wal-Mart. Regular grocery stores and supermarkets include Rouses, Winn Dixie and Robert, while Whole Foods is a more expensive store with an extensive organic offering and ready-to-eat foods.

Cost of Living

Estimates for living expenses reflect a student budget of \$2,386 per month for room (rent, utilities), food, miscellaneous expenses, books and supplies, and all transportation. Book expenses are estimated to be \$750 per semester, which is included in the above amount. Health expenses (\$1,500 per semester), representing medical insurance and ordinary health expenses (such as prescriptions), are not included in the estimated living expense budget of \$2,386 per month.

Taxes and Tipping

Sales tax in New Orleans is almost 10 percent and is not included in the price of items (it is added to the bill at checkout). In restaurants, a 15-20 percent tip is customary. It is also common to tip 15 percent for food delivery.

Banking

To open a bank account, you will need a letter from the Office of International Students and Scholars (OISS) to verify that you are a full-time Tulane student. As well, they will ask for your local address and address in home country, date of birth, social security number if you have one, and your passport. You should also have some funds to deposit in order to open your account.

There are many ATM machines where you can get cash with your debit card. Make every effort to use the ATM machines of your bank, otherwise, you will be charged a fee by the ATM and by your bank.

There is a Whitney Bank in the LBC on Tulane's campus.

Working on a J-1 Visa

J-1 students are required to have authorization to work from the J-1 program sponsor (e.g., OISS) for all types of employment. As a J-1 student, you may qualify for the following types of employment:

On-Campus Employment

- Done on the premises of the school
- Can be authorized to work up to 20 hours per week during the academic year and full time during summer and official holiday breaks
- You must obtain approval from OISS

Academic Training in Your Field of Study

- Academic training is work, training, or experience related to a student's field of study
- You must have a job offer in the field of your study and obtained a written recommendation for academic training from Study Abroad & Exchange in order to apply for academic training
- You can participate in authorized training during or after studies, but you must apply for academic training prior to the expiration of the DS-2019
- During studies, academic training can be part-time during the semester or full-time during the summer
- After completion of program, academic training must be a minimum of 20 hours per week
- You must obtain approval from OISS

For more information, please contact OISS.

If you are hired for a job on campus, you may then apply for a social security number. You will need to request a letter from the hiring department verifying employment in order to apply. Social security numbers are not required for most transactions that you will make while on an exchange here in New Orleans.

If you are offered a job on- or off-campus, you may need to open a U.S. bank account for direct deposit.

Section IX: Safety

Safety Escort Services

The Police Department offers an on-campus (Uptown) safety escort service. With this service, students can request a Safety Escort 7 days a week, 24/7. To request a Safety Escort, call (504) 865-5381.

An officer will be dispatched to satisfy your request or needs. If the situation warrants, stay on the line until all information required to meet your needs is obtained.

TapRide

Students can take advantage of TapRide, an on-demand, point-to-point van service available 7 nights a week from 6 p.m. to 3 a.m. TapRide transports riders to their residences or vehicles located within a 1 mile radius of the uptown campus or to/from designated pick-up/drop-off locations. For more information, see

https://www2.tulane.edu/universityservices/transportation/tapride.cfm. To request this service, use the TapRide smart phone app or call (504) 314-7233.

RAVE Guardian Virtual Safety Escort

For more information see http://publicsafety.tulane.edu/police/rave-guardian.

Shuttles

The Uptown/Downtown shuttle service is also available to take you between Uptown/Downtown campuses and other stops on various routes. More information can be found at this site: tulane.edu/studentaffairs/tom/transportation/shuttles.cfm.
