

Congratulations on being selected to participate in the University of San Diego (USD) Double Degree Program in partnership with your home university, Universidad Pontificia Comillas - ICADE!

We look forward to hosting you this Fall 2019 through your final semester, Spring 2021. I will assist you with all matters related to your welcome orientation, visa application, immigration advising and life at USD.

You have also been assigned an academic advisor from the USD School of Business who will assist you with all academic matters. Your academic advisor will contact you by email in the coming days to discuss your fall semester course registration with you.

The first task that you will need to complete is the attached application form, which will be used to prepare your USD student record. Be sure to complete all fields and return your finished application form to me by email no later than Sunday, March 24th.

Please also expect an email from me later this week containing detailed instructions for our full pre-arrival process in which you will submit information and documents over the course of several weeks that will be used to evaluate your eligibility for a J-1 student visa — the visa that foreign students are required to obtain in order to pursue studies in the United States through our Double Degree Program.

Completing the attached application form is all you need to do at this time. Please do not hesitate to contact me should you have any questions or concerns throughout this process. We look forward to hosting you!

Warm regards from San Diego,

Jessica Forrester | Exchange Program Coordinator
