NEOMA Business School Housing Service

Through its housing service, your school has set up a platform, edited by Studapart, enabling you to find accommodation more easily. Numerous offers from private owners, student residences and real estate agencies around the campus, are grouped on your school's housing platform and updated daily:

https://housing-platform.neoma-bs.fr/en

Students can make booking requests directly on the platform with their online rental application

Each NEOMA BS student can access to offers by connecting with his school login Credentials

These login credentials are provided to each student when he joins one of NEOMA's programs.

The display of offers on the internet platform is free and does not commit our school. You must ensure to always sign a lease within the law.
